

LESC COURSE CARD

Record the race-course with chinagraph pencil below here.

LESC Race Hut

The Start line is an extension of the line formed between the orange pole and the orange mark on the centre window of the race hut, X is the outer distance mark and is not part of the line, however when starting towards the East it must be left to Starboard and when starting to the West it must be left to Port. On some occasions X may be in line as shown in the drawing however the line could also be to the East or West of X as indicated by the arrows. **MAKE SURE YOU LOOK FOR THIS PRIOR TO AND AFTER GOING AFLOAT.** On occasion, as some of the marks go missing, the current status of marks will be posted in the Race Hut.
