

LESC 2021 Covid - 19 Operating Procedures August 2021

The following procedures may change as Scottish guidelines & restrictions alter. LESC will continue to follow these guidelines along with the RYA guidance on returning to boating.

LESC Covid Officer is Colin Tait who can be contacted by:
email. colintait59@btinternet.com
mobile 07590057267

Each week a register will be posted on the outside of the red hatch at the club kitchen. Everyone visiting the club shall add their names to the list and the dates they intend to be staying. No requirement for contact details, in the result of a Covid outbreak the contact details will be given from the membership database.

A new list will go up each week this is a Scottish gov. requirement for us to open.

If you are unwell with the symptoms of Covid-19 do not attend the club.

If you have had contact with a family or household member who is unwell with the symptoms of Covid-19 do not attend the club for at least 14 days.

If you test positive for Covid-19 follow the Scottish Government Test & Protect Guidelines which was sent out to all Scottish households. A copy is also on the Club website.

Hobbs Cleaners are now back cleaning the club toilets / changing rooms & the field toilets on a Friday each week.

Apply current social distancing at all times during your visit to LESC.

Cover your mouth and nose when sneezing or coughing, and avoid touching your face, nose and eyes.

Club members and guests are allowed on site. Visitor overnight stay is allowed.

If a club member requires a tent pitch, please contact the committee.

Club members travelling to the club should be aware that there is limited changing / shower facilities available at this time.
